

K. Renae Pullen

K-6 Science Curriculum Instructional Specialist
Caddo Parish Public Schools

K. Renae Pullen has been an educator in Louisiana for 20 years. She currently serves as the K-6 Science Curriculum Instructional Specialist for Caddo Parish Public Schools in Shreveport, Louisiana. Additionally, Pullen has had the wonderful opportunity to teach undergraduate and graduate students as an adjunct professor at Louisiana Tech University and Louisiana State University in Shreveport. As an educator dedicated to the profession, she is an active member of many professional organizations including the Louisiana Science Teachers Association, National Science Teachers Association (NSTA), Society of Elementary Presidential Awardees, and Association for Supervision and Curriculum Development.

Pullen has served on several local, state, and national committees, and she has presented at numerous state and national workshops and conferences. As a classroom teacher, she participated in White House Champions of Change Event: Women & Girls in STEM in 2011. Ms. Pullen was a member of the elementary writing team of the Louisiana Student Standards for Science, and she served as a member of the Teachers' Advisory Council for the National Academies of Sciences. She currently serves as a 2018 National Science Teachers Association/National Council of Teachers of Mathematics STEM Teacher Ambassador. Ms. Pullen has received numerous awards including several grants, including the Wal-Mart Local Teacher of the Year Award, the Caddo Parish Teacher of the Year, a Fund for Teachers Fellowship to study creativity and STEM in Spain, a fellowship from the National Endowment for the Humanities to study the American Skyscraper in Chicago, a Greater Shreveport and Bossier Chamber of Commerce's 40 Under 40 Honoree for 2015 award, and the Presidential Award for Excellence in Mathematics and Science Teaching (PAEMST).
